JOINT STATUS REPORT IN LIGHT OF COVID-19

Plaintiff ParkerVision, Inc. and Defendants Qualcomm Incorporated (“Qualcomm”) and Apple Inc. (“Apple”) (collectively, “Defendants”) respectfully submit this Joint Status Report in Light of COVID-19 as required by ECF No. 239.

This action currently is administratively closed and stayed in light of COVID-19. ECF No. 239. On April 21, 2020, ParkerVision and Apple filed a joint unopposed motion to stay this case as to all parties until such time as the outcome in a concurrently pending action in Orlando involving both ParkerVision and Qualcomm becomes final (including all appeals), as well as certain agreements among the parties. *See* ECF No. 245 (“motion to stay”). ParkerVision and Apple believe that the motion to stay should be granted in order to conserve judicial and private party resources, as articulated therein. Qualcomm does not oppose the motion (in light of the agreements contained therein), and thus the unopposed stay motion is ripe.

But regardless of the Court's ruling on the unopposed motion to stay, the status of the national emergency from the COVID-19 pandemic necessitates at least a continuance of the current stay. This stay is necessary due to the continuing uncertainty surrounding the spread of COVID-19 and the necessary precautions to prevent transmission of the virus, which directly impacts the ability of the parties to litigate this case.

The parties therefore request that the Court either: (1) stay the case until final resolution of the Orlando action (including any appeals), or (2) at a minimum, while the Court considers the motion to stay, extend the existing stay of all deadlines and remaining expert discovery in this case (as set forth in the Amended Case Management and Scheduling Order (ECF No. 237)) until May 29, 2020.
